5th Anniversary Jacket Patch

In 1999 Tsoiotsi Tsogalii Lodge celebrated its fifth anniversary. The lodge issued a large jacket patch that included five separate event patches as part of the design. The hawk's three tail feathers were issued individually for the lodge's August Ordeal, Brotherhood Weekend, and October Ordeal. The hawk is perched on an arrow whose arrowhead was issued at the Spring Fellowship and the fletching for the Fall Fellowship. This one-piece jacket patch was available to members on a pre-order basis. The patch measures about 14 ½ inches tall by 8 inches wide.

SR-7B Section Conclaves

Tsoiotsi Tsogalii Lodge is part of the Order of the Arrow's Section SR-7B. The Section includes five other North Carolina lodges: Occoneechee #104, Croatan #117, Wahissa #118, Nayawin Rar #296, and Klahican #331. Each year the section holds a gathering on a weekend in April at one of the council's camps.

Since forming in the fall of 1994 Tsoiotsi Tsogalii Lodge has hosted four section conclaves at Cherokee Scout Reservation. These events were held in 2002, 2006, 2012, and 2018.

Some special patches were issued for those events.
