

## The First Event – 1994

---

Our Lodge's very first event was hosted at Camp Wenasa that year with the Fall Fellowship. The event was held here since the Dining Hall at Camp Cherokee was being rebuilt. On Saturday night a very meaningful Re-Dedication Ceremony was held over at Camp Nikwasi which featured many symbols of our Order such as the Arrow and WWW. These symbols had been constructed by David Trull and were illuminated with flames as we walked the Re-Dedication Trail. Elections were held and Brent Stainback was elected as our very first Lodge Chief to serve for the year of 1995.
