The year started out with our Spring Fellowship at Camp Cherokee. Saturday morning's training events included the following: Unit Elections, Ceremony Team Development, Elangomat Training, Indian Dance Outfits, and Chapter Scavenger Hunt. There were Chapter competitions in Soccer, Basketball, and Volleyball. Winner of the Scavenger Hunt and Quest was Achewon Chapter!

The Lodge did very well at the Section SR-7B Conclave hosted by Croatan Lodge at Camp Bonner. The Theme for this conclave was "Merry Conclave" using a Christmas theme. We sang Christmas carols, had a sleigh, and even Santa showed up. Awards that we picked up were 1st Place in Team Dance, 2nd Place in Newsletter Competition, 3rd Place Tie in Quest, and won the Participation Award (For Best Overall Lodge)! John Isley was elected Section Chief.

The Ordeal weekends in August and October went very well. In fact, we inducted more brothers than in any other time in our short history. Many work projects were accomplished at these two Ordeal weekends.

Our Trade-O-Ree was held in September in the Dining Hall at Camp Cherokee and was a lot of fun as many patches and collections were displayed.

Fall Fellowship was a big hit! Saturday morning featured a See-and-Do with many hobbies represented: Railroading by Ron Lindler and Fred Mackie, Scuba Diving by Barry Allred, Scouts on Stamps by John Kinney, Patch Collecting by Bill Pergerson, Fly Tying by Charlie Garwood and lots more. We held our first Winter Banquet that night with John Isley serving as Master of Ceremonies. Chris Fulcher put together a fabulous slide show which everyone enjoyed! Elections were held and Daniel Glaze was reelected as Lodge Chief for 1999. We once again participated in the "Section One Day of Service" by building a fence around a parking lot associated with the "Mountains to the Sea" trail.

We were once again recognized as a **National Quality Lodge** for the second year in a row! John Isley was elected Southern Region Chief at the National Meeting in Dallas in December.
