Lodge Officer Application - General Information

Introduction

This information sheet has been developed to assist Arrowmen and their families in understanding the application and approval process to run for Lodge or Chapter office, as well as to describe the duties and expectations of Lodge and Chapter officers.

The success of Tsoiotsi Tsogalii Lodge depends on the initiative, follow-through, and commitment of our Lodge and Chapter leadership, working in partnership with their adult advisers. When a youth takes on a Lodge or Chapter leadership position, every member of the Lodge or respective Chapter counts on that youth to make the Order of the Arrow a priority and to do their job well.

Arrowmen interested in running for an elected Lodge or Chapter leadership position must complete and sign the Lodge & Chapter Officer Application Form and Lodge & Chapter Officer Responsibilities sheet, then get signatures/initials from a parent/guardian, their unit leader, and the Lodge Adviser. If applying for Chapter Chief, the Chapter Adviser's signature is needed instead of the Lodge Adviser's. Once all signatures are received, the form must be scanned and forwarded in PDF format to the Lodge Adviser via email to Rusty Gray, at rusty8005@gmail.com.

- All application forms and responsibilities sheets must be received by the Lodge Adviser a minimum of 10 days before the Lodge officer election. For the 2026 officer elections, the Lodge & Chapter Officer Application Form submission deadline is **11:59 p.m. Tuesday, September 29, 2026**.
- When completing the application, reflect on your training, experience, participation, and reasons you want to be a Lodge or Chapter officer. It's okay if you haven't attended a lot of training, if you haven't served on camp staff, or if you haven't attended a Conclave or NOAC yet. These sections of the form help you and the Lodge Adviser jointly determine your readiness to hold an elected Lodge or Chapter office. They also give you points to mention in your campaign speech.
- The purpose of the Order is to support BSA units and the Scouting program. Therefore, if an Arrowman is needed by their unit, such as holding a critical position of responsibility, the first obligation is to serve the unit rather than the Order.
 - o For an elected Lodge or Chapter leadership position, however, the Lodge or Chapter duties

must come first.

o Before running for elected Lodge or Chapter leadership, candidates should consider their other responsibilities, transportation, or going away to college with the Lodge Adviser or Lodge Staff Adviser before submitting this form if they have any questions or concerns about fulfilling the duties of the office.

- All Lodge officers must be less than 21 years of age for the entire term of office. The term of office begins on January 1 and concludes on December 31.
- To serve successfully as an elected Lodge or Chapter leader, the candidate should have a detailed understanding of different operational aspects of the Lodge. Elected and non-elected positions at the chapter and committee level are a great way to gain experience and knowledge before running for a Lodge or Chapter leadership position.
- If you have an interest in more than one office, select your top three choices on the attached form. Mark the appropriate boxes with a 1, 2, or 3. If a different candidate is elected to your first-choice position, you may run for up to two additional elected positions with the approval of the Lodge Adviser or the Lodge Staff Adviser. Lodge Chief elections will be held first.

Completed and signed Lodge & Chapter Officer Application Forms and Lodge & Chapter Officer Responsibilities sheets must be scanned and forwarded in PDF format to the Lodge Adviser at rusty8005@gmail.com They must be received no later than **11:59 p.m. Tuesday, September 29, 2026**
